

### **Intercessions 11am service**

- The Chaplain would be most grateful if intercessors would telephone him on Thursday evening, as well as speaking to him just before the service.
- The rota for intercessors can be consulted in the Members area.
- Intercessors who cannot take the prayers on their scheduled date, please exchange with someone else on the list and be sure to let the Chaplain know about the change.

Please be careful to speak **LOUDLY** and **CLEARLY**
