

Anglican Church of Luxembourg

Charities 2009

AIMS

Our aim in giving is to advance human dignity and justice.

Our collective donations will amount to around 15,000 euros this year. They go to improving the lot of people who are poor or who have fallen on hard times. The focus is on Africa. We give to specific projects and we have chosen, in the main, projects which mitigate climate change and help people to adapt to it. We rotate projects every few years.

INVITATION

We welcome proposals from members of the church and from anyone who is actively works for a human charity that seeks private donations. Please contact us, through office@anglican.lu if you would like to propose a charity or to help us.

OBJECTS OF GIVING

This year we support in Africa

- ❖ communal dam building and terracing in Kenya
- ❖ primary school nursery gardening in Malawi
- ❖ pastoralists' water and animal care in Ethiopia
- ❖ use of efficient domestic stoves in the Congo
- ❖ appropriate technology for agriculturalists in Africa

We support also

- A home for children of imprisoned mothers, in Kenya
- An secondary school educational fund in South Africa

In Europe we are supporting

- Shelter and rehabilitation of the homeless in London
- Grandparenting of the children of needy single mothers in London

For more, check the websites of the charities listed over the page

Please give generously, and send us your thoughts

This year we give to

Welcome to Friends United Network
Finding time for children who need it

Friends United Network (FUN) is a charity and voluntary organisation set up in 1983 to provide long-term, one-to-one friendship and support to children in need (aged 5 - 16 on referral) and growing up in socially isolated, lone-parent families.
