

## **The Anglican Church of Luxembourg Breakfast Bible Study AGM Report 2014 - 2015**

This group was set up at the end of 2014. We meet monthly at our apartment on Saturdays between 09 30 and 11 00, beginning with breakfast. We then look at the Bible together, using a study guide to stimulate discussion.

At the moment we are studying the book of Galatians, which challenges us to really examine the basis of our faith. The aim of the group is to create opportunities for people to come together, enjoy a shared meal and look at God's Word in a safe, relaxed environment where we can ask questions, learn from each other and encourage one another in our journey of faith.

We currently have members from other churches as well as our own, and welcome new members. We just need to know numbers in order to have enough croissants!
