## **Breakfast Bible Study AGM Report 2015-2016**

We continue to meet monthly at our apartment on Saturdays between 9.30 am and 11.00 am, beginning with breakfast, then looking at the Bible together, using a study guide to stimulate discussion.

At the moment we are studying the first half of the book of Isaiah, considering the judgement of God and how we interpret this in our individual and collective walk with him.

The aim of the group is to create opportunities for people to come together, enjoy a shared meal and look at God's Word in a safe, relaxed environment where we can ask questions, learn from each other and encourage one another in our journey of faith.

We currently have about eight regular members, from other churches as well as our own, and this diversity has enriched our discussions. Feedback from the group is very positive and we certainly feel blessed by it.
