

The Anglican Church of Luxembourg

Breakfast Bible Study Group report for 2016-2017

We have continued to meet monthly at our apartment on Saturdays between 09:30 and 11:00, beginning with breakfast, then looking at the Bible together, using a study guide to stimulate discussion.

At the moment we are studying the first half of the book of Acts, considering the growth of the early church and how this relates to our experience of church today.

The aim of the group is to create opportunities for people to come together, enjoy a shared meal and look at God's Word in a safe, relaxed environment where we can ask questions, learn from each other and encourage one another in our journey of faith.

We currently have about 8 regular members, from other churches as well as our own, and this diversity has enriched our discussions. Feedback from the group is very positive and we are certainly blessed by our fellowship.

Please contact us on grahamandisobel@btinternet.com if you want to know more and would like to join us.
