

The Anglican Church of Luxembourg

Community Group AGM Report 2015-2016

This group was formed four years ago to help strengthen and integrate our church community.

We organise and host several events annually like the

- Ascension Day Walk
- Mothers' Day Lunch
- Harvest Lunch
- Christmas Family Lunch

The lunches and gatherings are generally of a potluck nature so as to make everyone comfortable and welcome.

Currently the group has nine members who each bring their different skill sets to make a complete team. I am grateful and thankful to Elaine Birch, Candida Nedog, Julia Kelly, Anthea MacDonald, Barbara Thomson, Carole Vlachavas, Geoff Thompson and Andrew Butler for all their help and support.

More hands and fresh ideas are always welcome...so if anyone would like to join the team then do get in touch with me at ranisubaiya@yahoo.com.

With best wishes,

Rani Roloff
