

## **The Anglican Church of Luxembourg**

### **First Sunday Group AGM Report 2014 - 2015**

The past year has again seen the First Sunday group continue to support the worship of the church each month. At times, membership has been thin due to the absence of core members. This has included another "First Sunday birth" and the recent departure of Jon Grocock as he returns to the UK. Nevertheless, in recent months we have welcomed new members to the group and need to build on their enthusiasm in order to ensure we have strong engagement during the coming 12 months. Finding a second pianist is still proving a challenge and needs to remain a priority for the coming months.

In spite of some of the challenges faced, the group continues to provide a valuable contribution to the church's worship.
