Lions and Lambs AGM Report 2015-2016

Lions and Lambs continues weekly on Thursday mornings in term time. Sessions start with joyful singing, followed by a short themed Bible story, finished off with a topical activity or craft and a fruit snack (bring and share). It is always relaxed and friendly with a lot of free play for the children and coffee for the grown-ups! The meetings offer a sense of fellowship. It is an ecumenical group and everyone is welcome.

In 2015, after producing one new young member (baby!) each, Cherry Kent and Fiona Paley have taken over the leadership and hosting between them and alternate meetings in their homes. Amanda Tailor-Aiken very kindly took over joint coordination role with Cherry Kent after Claudia Granger relocated to Italy in June. A big thank you is extended to Louise Thompson for her co-ordination and support around this time, keeping things going! Very special thanks also to Fiona for taking on the co-hosting and leading impressively smoothly from September onwards so soon after giving birth to her second child. The group is certainly quite adaptable and very supportive!

The group has a core of mothers and their children who attend regularly and also attracts newcomers most months. Given the target age of children from 0-4 years, there is a healthy turnover, as older children move into preschool systems and also younger siblings are produced – we have welcomed many new babies to the group particularly in 2015! Overall the group has remained stable, despite some changes to hosts and locations at the start of 2015 – it has been evolving with the natural flow of leavers and newcomers that occurs in Luxembourg. And long may it continue!
