The Anglican Church of Luxembourg is a Chaplaincy within the Diocese of Europe of the Church of England. Our worship is open to all.

Who are We?

Where do we Live?

One of the biggest difficulties we face in Luxembourg is trying to keep in contact with each other. People come and go with great frequency, and it is quite difficult to keep up to date with contact details. We are required by the Church of England to maintain a register of members, which only includes names and addresses. Not everyone who participates in our worship and activities is a member of the Church, and so we have a separate Contact List which is for everyone who chooses to be on it. We hope that everyone who is involved in the life of our chaplaincy, or who wants to be associated with it as a friend or supporter, will put their names and basic contact information on this Contact List. In that way we can keep in touch, and in case of need or crisis we will be able to offer help and support much more effectively.

The questions in this form will enable our church to be more effective in its pastoral care and mission. Everyone is being asked each question, but no-one is obliged to answer any question. The forms will be stored securely in the Church Office.

The personal information you supply will be kept as a database and protected by a password known only to the clergy and individuals authorised by the Church Council. Under the General Data Protection Regulation you need to consent to us holding your details and using them to contact you. If you give your consent, you will receive communications from the church, such as the magazine and emails with information about church activities and events. Where there is legitimate interest for administration purposes, your name and contact details may be shared with people authorised by the Chaplain, such as rota managers or event organisers. They will not be shared with any other organisation, except in the event that we employ a company to send out regular mailings. A full explanation of our [Data Privacy Policy](#) is available under “links and documents” on our website.

If you would also like to be included on the Electoral Roll, which will give you the right to vote at our AGM and to take a fuller part in the life of our Church, please fill in the form entitled "[Application for Enrolment on the Church Electoral Roll](#)", available under “links and documents” on our website, and return it to the Anglican Church Office address, or place it in the box marked Contact Forms at the back of the church.
