HOW TO USE MY DETAILS

My Details

Clicking on the pencil icon in the top right corner of your details from the homepage, or selecting the 'My Details' menu option will open your profile page. There are four tabs at the top of this page: 'Details'; 'Login'; 'Subscriptions'; 'Privacy', all of which can be edited to amend your details and settings on My ChurchSuite.

Details

This page gives you an overview of your profile, here you can review or update your details to add any missing information. Why not add a photo of yourself? Rest assured that only you can see this information until you choose to make it visible to others.

Below the photo are several form fields: "Title" (Mr), "Name" (Paul, Nation), "Middle Name", "Formal Name", "Sex" (Male), "Date of Birth" (2 August 1977), "Marital Status" (Married), "Spouse" (Fiona Nation), and "Email" (paul@churchsuite.com).

Communication

The interface has a top navigation bar with four tabs: "Details", "Login", "Communication" (which is selected and underlined), and "Privacy". Below the tabs, there is a list of four communication preferences, each with a green checkmark icon to its left:

- Receive general emails
- Receive general SMS
- Receive rota reminder emails
- Receive rota reminder SMS

The Communication tab is where you'll manage how we contact you - opting in or out of receiving general church communications and/or rota reminder communications. We recommend that you **don't** opt out of SMS or emails through My ChurchSuite as you will no longer receive rota reminders, emails or important updates from ACL.

Privacy

While your contact details are never visible to anyone outside of ACL, you can easily manage the level of personal contact information you are happy to have visible to other members of ACL in My ChurchSuite. We would strongly recommend that you allow at least a contact phone number and/or email address to be made visible, so that people can organise things like rota swaps. Note that only your address, telephone, mobile and email can be set visible (or not). No other personal details, such as your date of birth or marital status, are never visible to others.
